The clock of life is wound but once,
And no man has the power to tell
Just when the hands will stop
At late or early hour.
Now is the only time you own:
Live, love, toil with a will,
Place no faith in tomorrow;
For the clock may then be still.

Dedication

Just to say "Thank you" to a great man such as Bob Priest could not possibly express our gratitude and appreciation for the many things this man has contributed to S.C.C.

Bob has been a great help and inspiration to the entire student body as well as to the staff of this year book. We have yet to see a goal too high for Bob to reach.

Bob has the, "I'd rather try and fail than not try at all" attitude. It is this type of consistency that makes Bob unique, therefore we wish to dedicate the Last Of The 70's to Bob Priest with many thanks.

Editors ... and Staff.

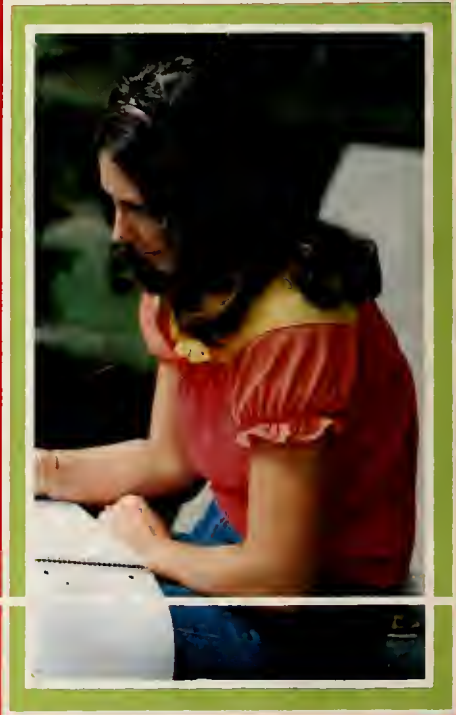

Peace for Vincent Sweet

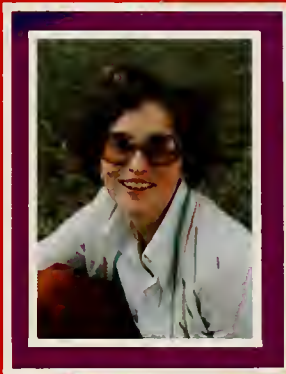

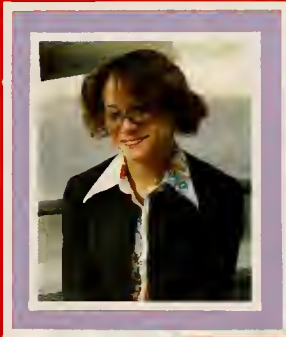

The Lord is my shepherd;
I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul:
He leadeth me in the paths of righteousness
for His name's sake
Yea, though I walk through the valley
of the shadow of death,
I will fear no evil: for Thou art with me.
Thy rod and Thy staff they comfort me.
Thou preparest a table before me
in the presence of mine enemies:
Thou anointest my head with oil;
My cup runneth over.
Surely goodness and mercy shall follow me
all the days of my life:
And I will dwell in the house
Of the Lord forever.

Education is a companion which no misfortune can decrease, no crime destroy, no enemy alienate, no despotism enslave; at home a friend, abroad an introduction, in solitude a solace, in society an ornament. It chastens vice, guides virtue, and gives grace and government to genius. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred fold.

S.C.C.
DR. RONALD McCARTER

THE END OF THE DECADE

Our *Ramblings* theme appropriately draws our attention to this rare moment. We only witness this milestone in time about seven times personally. As we reflect upon it, the passing of time is bitter-sweet. The spectra of the future can be frightening or promising, depending on what you, or many other passengers on this earth together, do with it. So, some seek no moments of reflection either as a result of fear or irretrievable disappointment; others thrive upon reflection with gratitude for the successes and hope for the failures.

We hope you at SCC are developing an inclination for reflection. Your past decision to be here is well supported by four million other community college students in this country (over 1/3 of all college students!). Your future will be greatly enhanced by your experiences here, provided you take full advantage of the opportunity. There are positive aspects in your reflection and exciting aspirations in your future — and in ours who remain at SCC. For we have shared a part of this irretrievable decade together. All of our futures will be commonly influenced. And we all will be richer for the association.

WHERE DID ALL THE PEOPLE GO????

EDWARD AALAM — ASSISTANT EDITOR

PEGGIE C. NOBLES — EDITOR

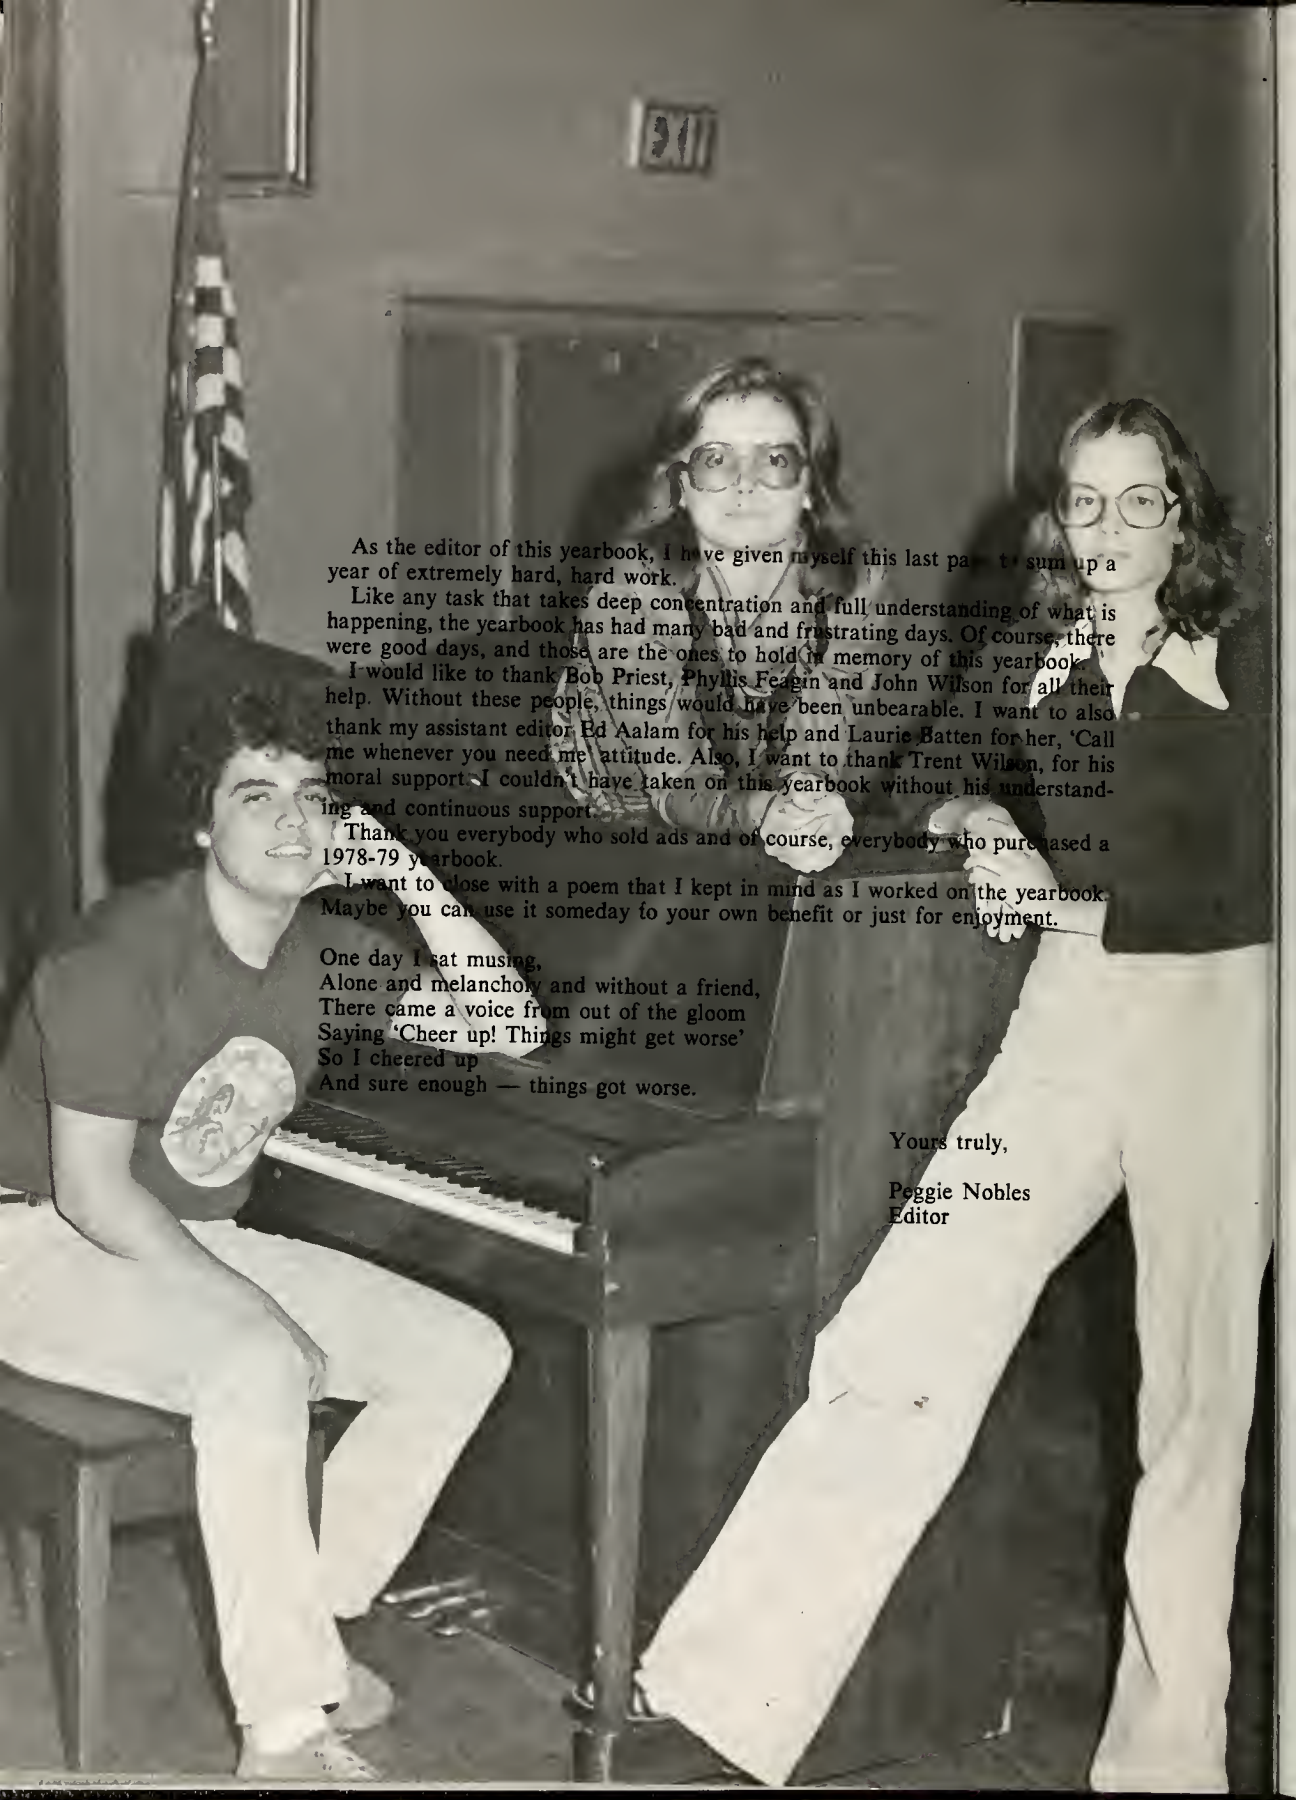

PHYLLIS FEAGIN —

MR. BIGGS —
PHOTOGRAPHER

LAURIE BATTEN

As the editor of this yearbook, I have given myself this last part to sum up a year of extremely hard, hard work.

Like any task that takes deep concentration and full understanding of what is happening, the yearbook has had many bad and frustrating days. Of course, there were good days, and those are the ones to hold in memory of this yearbook.

I would like to thank Bob Priest, Phyllis Feagin and John Wilson for all their help. Without these people, things would have been unbearable. I want to also thank my assistant editor Ed Aalam for his help and Laurie Batten for her, 'Call me whenever you need me' attitude. Also, I want to thank Trent Wilson, for his moral support. I couldn't have taken on this yearbook without his understanding and continuous support.

Thank you everybody who sold ads and of course, everybody who purchased a 1978-79 yearbook.

I want to close with a poem that I kept in mind as I worked on the yearbook. Maybe you can use it someday to your own benefit or just for enjoyment.

One day I sat musing,
Alone and melancholy and without a friend,
There came a voice from out of the gloom
Saying 'Cheer up! Things might get worse'
So I cheered up
And sure enough — things got worse.

Yours truly,

Peggie Nobles
Editor
